TASKI® R5

Air freshener

Description

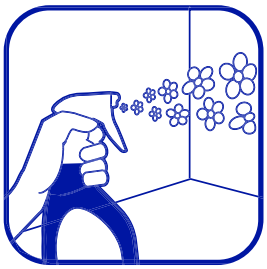

TASKI® R5 is a water-based air freshener featuring a pleasing floral perfume which deodorizes guestrooms, banquet halls and office rooms.

Features and benefits

- Water-based air freshener. Does not use ozone-depleting aerosols.
- Freshens and deodorizes the room.
- Fresh and pleasant room care fragrance.
- Extremely economical in use, when compared with aerosol-based air fresheners.
- Alpha-numeric codes to prevent application mistakes.

Directions for use

TASKI® R5 is a ready-to-use product.
Air freshening is the last step in the cleaning of any room.
Spray a couple of triggers upwards, away from you, into the centre of the room and close the door.
For very large rooms and also in rooms where tobacco or other odours are very strong, spray additionally as required.

TASKI® R5

Air freshener
